- Higher Education Policymakers
- Digital Scholarship Experts
- Scholarly Publishers & Providers

About the Host

Indian Institute of Technology Delhi

IIT Delhi is one of India's premier institutions for education and research in science, engineering, technology, and interdisciplinary studies. Established in 1961 and recognised as an Institution of National Importance, IIT Delhi is also designated as an Institution of Eminence (IoE) by the Government of India.

About NDLTD

The Networked Digital Library of Theses and Dissertations (NDLTD) is an international non-profit organization promoting open access, global visibility, and long-term preservation of ETDs.

NDLTD works to:

- Advance global ETD initiatives
- Provide standards, tools, and best practices
- Support institutions in making graduate research openly accessible
